'Company' - Bulk Hardware Ltd (registered in England and Wales under number 1177960).

'Conditions' - the standard terms and conditions of sale set out in this document and (unless the context otherwise requires) including any special terms and conditions agreed in accordance with Condition 2.2.

'Contract' - the contract for the purchase and sale of the Goods.

'Delivery Address' - the address for delivery stated on any order or such other address as may be agreed in Writing between the parties.

'Goods' - the goods (including any instalment of such goods or any parts for them) which the Company is to supply in accordance with these Conditions.

'Loan Assets' - storage and display cabinets, carousels, shelving, racks, stands and alike loaned by the Company to the Buyer in accordance with the provisions of Condition 14.

'Minimum Order Requirement' - the minimum monetary value of an order (as determined from time to time by the Company at its entire discretion) which entitles the Buyer to have the Goods delivered by the Company to the Delivery Address in accordance with Condition 7(a).

'Writing' - includes telex, cable, facsimile transmission and comparable means of communication.

2. BASIS OF THE SALE

2.1 The Company shall sell and the Buyer shall purchase the Goods in accordance with any quotation of the Company in Writing which is accepted by the Buyer subject to Condition 3, or any order of the Buyer in Writing which is accepted by the Company in Writing, subject in either case to these Conditions, which shall govern the Contract to the exclusion of any other terms and conditions subject to which any such quotation is accepted or purported to be accepted or any such order is made or purported to be made by the Buyer.

2.2 The Company reserves the right to change these Terms and Conditions at any time. The Buyer should check these Terms and Conditions regularly on the Company website. Orders placed with our Company after changes are posted on the Company website will be deemed the acceptance of the updated or amended Terms and Conditions.

3. QUOTATIONS

Save as otherwise specifically provided, quotations are valid for a period of not more than 30 days from their date. Quotations include only the Goods specified therein and are subject to availability of Goods at the date the Buyer's acceptance is notified to the Company.

4. PERFORMANCE, SUITABILITY, ETC

(a) While the Company will do its best to comply with any requirements notified by the Buyer, the responsibility for ensuring that the Goods are suitable for the Buyer's purpose, meet the Buyer's requirements and are in accordance with any description put forward by the Buyer, is the Buyer's.

(b) No warranty, condition, description or representation given or made before the Company's acceptance of an order or the Buyer's acceptance of a quotation is to be treated as a term of the Contract or as inducing it unless expressly incorporated in the Contract.

(c) The Company reserves the right to make changes in the design or specification of the Goods without notice in the light of changes in technical knowledge, production techniques, Government, EEC or other regulations, considerations of safety or other reasonable cause.

(d) Contact details provided by the Buyer may be used by the Company to announce new products, promotions, offers, etc. Such contact details are never shared with or divulged to any third parties.

5. PRICES

(a) Unless otherwise expressly provided and subject to the Minimum Order Requirement, all prices are quoted inclusive of delivery and packing charges.

(b) All prices, pack quantities and all specifications are subject to alteration without notice and Goods will be invoiced at the prices ruling at the date of despatch.

(c) Value added tax is payable on all invoiced prices (where applicable) at the appropriate rate ruling at the tax point.

6. PAYMENT

(a) The Company shall be entitled to invoice the Buyer for the price of Goods on or at any time after despatch.

(b) Unless otherwise expressly provided, payment is due without set off, deduction or counterclaim not later than the end of the month following the month in which the relevant invoice is issued.

(c) Accounts unpaid at the due date carry interest (before as well as after any judgement or insolvency) at the rate of 8% per annum above Bank of England base rate from time to time calculated on a day to day basis from date of invoice together with all reasonable debt recovery costs.

(d) Unless specifically excluded the Company reserves the right to demand at any time from the Buyer payment in advance before undertaking any work or incurring or committing itself for any expenditure or before delivery of the Goods.

(e) Default in payment by the Buyer for three months from the date of invoice entitles the Company to suspend or terminate the Contract so far as it remains unperformed and to recover damages for breach.

7. DELIVERY

(a) Subject to the Minimum Order Requirement delivery of the Goods shall be made by the Company by delivering the Goods to the Delivery Address.

(b) Where the Buyer fails to satisfy the Minimum Order Requirement then delivery of the Goods shall be made by the Company by delivering the Goods to the Delivery Address but at the expense of the Buyer who shall be charged by the Company for the cost of delivery.

(c) The Company will use all reasonable endeavours to meet quoted delivery dates but such dates are estimates only and the Company shall not be liable for the consequences of any delay.

(d) The Company shall in any event be entitled to extend the delivery period where delay is caused by factors outside the Company's reasonable control.

(e) Where the Buyer fails to accept delivery they will be stored at the Buyer's risk and expense. Default by the Buyer for more than two weeks entitles the Company to suspend or terminate the Contract so far as it remains unperformed and to recover damages for breach.

(f) The Company shall be entitled to deliver Goods comprised in one order in several consignments in which event each such consignment shall be treated as the subject of a separate contract.

8. CARRIAGE AND DAMAGE IN TRANSIT

(a) Where carriage is arranged by the Company claims for loss, shortage or damage in transit will not be accepted unless the Company is notified in writing within seven days of the arrival of the Goods; in the case of non-delivery, claims will not be accepted unless received in writing by the Company within seven days from the estimated delivery date notified to the Buyer.

(b) The Company is not to be responsible for any damage to or loss or non-delivery of the goods if by reason of the Buyer's failure to indicate on signatory of the carrier documents as damage or loss or non-delivery, thereby the Company is prevented from recovering compensation for such damage or loss or non-delivery from the carrier or his agent.

(c) In all other circumstances, carriage from the Company's premises shall be arranged by and be entirely at the risk of the Buyer.

9. RESERVATION OF TITLE

(a) The risk of any damage to the Goods while in the Buyer's possession shall be borne by the Buyer but the legal title to the Goods shall remain with the Company until such time as the Company has received payment of the purchase price of the Goods and of any other goods or services previously or subsequently supplied by the Company to the Buyer whereupon such title shall pass to the Buyer.

(b) Insofar as the Goods may be delivered to the Buyer prior to the time when title thereto passes to the Buyer as aforesaid the Buyer shall until such time hold the Goods as the fiduciary agent of the Company and shall accordingly remain liable to account to the Company for the Goods or, if the same shall be sold by the Buyer, (which the Buyer shall be entitled to do as the fiduciary agent of the Company but, as between the Buyer and the Buyer's customer, only as principal and without creating any relationship, disclosed or undisclosed, between the Company and such customer), for all of the proceeds, tangible and intangible (and including without limitation insurance proceeds and proceeds of proceeds), thereof.

(c) The Buyer shall, as trustee for the Company, pay such proceeds into a bank account separate from all other bank accounts and other monies and assets of the Buyer and of third parties. The Buyer shall store the Goods separate from any other goods of the Buyer and of third parties and shall identify the Goods as the property of the Company. The Buyer shall not remove any identifying marks placed on the Goods by the Company.

(d) While any Goods still in the ownership of the Company remain upon the Buyer's premises or the premises of any agent or associate of the Buyer, the Company shall have the right to enter upon the premises on which the Goods are located for the purpose of inspecting the condition and storage arrangements of the Goods.

(e) The Buyer may exercise its right to sell the Goods as the fiduciary agent of the Company in the usual course of the Buyer's business but such right:

(i) may be revoked at any time by the Company giving notice to that effect if the Buyer is in default for longer than seven days in the payment of any sum whatsoever due to the Company (whether in respect of the Goods or of any other goods or services supplied at any time by the Company to the Buyer or for any reason whatsoever) or if the Company has bona fide doubts as to the solvency of the Buyer; and

(ii) shall automatically cease if a receiver, manager or administrator is appointed over the assets undertaking or property of the Buyer, or a winding up or administration order against the Buyer is made or petitioned, or any petition or order in bankruptcy against the Buyer is presented or made, or the Buyer goes into voluntary liquidation (otherwise than for the purposes of reconstruction or amalgamation while solvent) or calls a meeting of or makes arrangements or compositions with creditors.

(f) Upon determination of the Buyer's rights of sale under paragraph (e) (i) or (ii) above, the Buyer shall place the Goods at the disposal of the Company (who shall be entitled to enter any premises of the Buyer for the purpose of removing the Goods and to remove the Goods from the said premises) and/or as the case may be pay to the Company the proceeds then held by the Buyer as trustee for the Company in accordance with this clause.

2.2 The Company reserves the right to change these Terms and Conditions at any time. The Buyer should check these Terms and Conditions regularly on the Company website. Orders placed with our Company after changes are posted on the Company website will be deemed the acceptance of the updated or amended Terms and Conditions.

3. QUOTATIONS

Save as otherwise specifically provided, quotations are valid for a period of not more than 30 days from their date. Quotations include only the Goods specified therein and are subject to availability of Goods at the date the Buyer's acceptance is notified to the Company.

4. PERFORMANCE, SUITABILITY, ETC

(a) While the Company will do its best to comply with any requirements notified by the Buyer, the responsibility for ensuring that the Goods are suitable for the Buyer's purpose, meet the Buyer's requirements and are in accordance with any description put forward by the Buyer, is the Buyer's.

(b) No warranty, condition, description or representation given or made before the Company's acceptance of an order or the Buyer's acceptance of a quotation is to be treated as a term of the Contract or as inducing it unless expressly incorporated in the Contract.

(c) The Company reserves the right to make changes in the design or specification of the Goods without notice in the light of changes in technical knowledge, production techniques, Government, EEC or other regulations, considerations of safety or other reasonable cause.

(d) Contact details provided by the Buyer may be used by the Company to announce new products, promotions, offers, etc. Such contact details are never shared with or divulged to any third parties.
